Meetings are held on the third Sunday of each month. The Board meets at 2:30 p.m. and the general meeting begins at 3:00 p.m. during the months of November, January, February and March at PARALYZED VETERANS OF AMERICA, Northwest Corner of 76th & Maple Streets in Omaha. During the summer months of April, May, June, July, August, September and October, there are no inside meetings. In these months we have "Official Car Tours" on the third Sunday of each month. Plus whatever extra tours may please us. There is no meeting in December, that meeting is replaced by our annual Christmas banquet. All vehicles are welcome, any year, make or model, but a drivable collectible/antique vehicle is not a requirement for membership.

The deadline for articles for the Steering Wheel is the last Saturday of the month.

The President's Message

Hello Everyone,

It was a great time visiting Danny and Connie Peters house in Honey Creek, Iowa. I have attached a couple of pictures that I took during our visit. What a great beer can and beer memorabilia collection at the Peter's house. I am sure that it took a lot of time and money to accumulate the collection.

The Peter's garage and spark plug collection was outstanding

as well. Thank you Danny and Connie for hosting our visit. Also, thank you Ed for continuing to find outstanding places for us to visit.

I had a chance to visit the Nebraska City Applejack Festival last weekend. They had

over 400 cars attend the car show in downtown Nebraska City. The weather was outstanding and the crowds were fantastic. I hope you get a chance to visit a car show before the weather gets too cold. The only problem that I had was my generator failed on the way back home to Omaha. Luckily, I made it home on battery power. I hope we get to see you at our final outdoor tour in October.

John & Karen Thurber☼

The editors received a belated note from Jerry & Connie Vincentini thanking everyone for their work at the SAC Museum Show in July.

“There is no real excuse for being tardy (but we are a couple issues late) in thanking you ALL for your tremendous help with the July SAC Museum car show. BUT please know we appreciate all the hard work it took making it the very best show ever. People who visited the museum are still talking about the wonderful cars. And we know that driving those cars are wonderful people.

Jerry and Connie”
