Meetings are held on the third Saturday of each month. The Board meets at 6:00 p.m. and the general meeting begins at 7:00 during the months of November, January, February and March at PARALYZED VETERANS OF AMERICA, Northwest Corner of 76th & Maple Streets in Omaha. During the summer months of April, May, June, July, August, September and October, there are no inside meetings. In these months we have "Official Car Tours" on the third Sunday of each month. Plus whatever extra tours may please us. There is no meeting in December, that meeting is replaced by our annual Christmas banquet. All vehicles are welcome, any year, make or model, but a drivable collectible/antique vehicle is not a requirement for membership.

The deadline for articles for the Steering Wheel is the last Saturday of the month.

The President's Message

Hello Everyone,

I appreciate those members attending the Wheels at the Fort Omaha car show even with the threat of rain. I know that the weather was not great but the cars were appreciated. Thanks Ed for allowing us to use your bus for our board meeting. And thank you Dave and Esther Miller for helping put on a great show each year.

I hope that you enjoy the fall by attending a local car show. Last year I attended the Woodbine Iowa Applefest car show for the first time and really enjoyed it. The weather in September begins to cool off and I enjoy seeing what other people have been working on during the year. It always surprises me at the new cars I see each year. And the owners are usually very appreciative if you talk to them about their cars.

I hope to see you in September at our next tour.

John & Karen Thurber☼
